

Los Olivos Women's Medical Group

Direction's for reimbursement from your insurance carrier

Currently we are not contracted with your insurance company therefore we cannot directly bill your insurance for charges from Los Olivos. We ask that you pay for services incurred at the time of your appointment. We will accept cash, personal checks, VISA, MasterCard, American Express or Discover in payment. We will provide you with a complete insurance billing statement to submit to your insurance carrier for reimbursement. There is no guarantee of payment from your insurance carrier of any specific amount or percentage as this may vary according to your plan and the contract that you have with your insurance carrier. Our staff will assist you as much as possible in the process.
